"Little Bit of History"

In 1985, Robin Lovely set up a small card table along side of Route 73 and began selling homegrown produce and fresh picked sweetcorn.

Today, Lovely's is over 7000 square feet and not only prides itself in selling the finest in fresh fruits and vegetables, but also in preparing the best downhome cooking around. We use garden vegetables when in season to prepare our homemade salads and sides. We also offer Premium Boar's Head meats and cheeses. Our customers enjoy the finest in Amish deli items, homemade jams, jellies, fresh baked breads and specialty goods.

Lovely's Farm Market and Country Cafe features Steve's Signature fried chicken (we've been told...the best chicken anywhere) delicious, custom made sandwiches and homemade salads/hot sides. Fresh baked pies and desserts are specialties from our own market bakery....And even a hand-dipped ice cream parlor !

We hope you enjoy our homemade fudge factory. We make the finest fudge right here in our market with Amish cream and butter. Check out the many varieties offered in the farm produce area. We think you'll agree it's the best. Free sampling and if you buy 1 pound the next 1/2 pound of fudge is FREE!
